Sulfoxaflor; Receipt of Application for Emergency Exemption, Solicitation of Public Comment

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: EPA has received a specific exemption request from the New Mexico Department of Agriculture to use the insecticide sulfoxaflor (CAS No. 946578-00-3) on pecans to control the black pecan aphid. The applicant proposes a use of a pesticide, sulfoxaflor, which is now considered to be unregistered under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) because of the vacature of all sulfoxaflor registrations by the United States District Court for the Central District of California. In accordance with 40 CFR 166.24(a)(7), EPA is soliciting public comment before making the decision whether or not to grant the exemption.

DATES: Comments must be received on or before *insert date 15 days after date of publication in the Federal Register*.

Potentially affected entities may include:

- Animal production (NAICS code 112).
- Food manufacturing (NAICS code 311).
- Pesticide manufacturing (NAICS code 32532).

B. What Should I Consider as I Prepare My Comments for EPA?

1. *Submitting CBI.* Do not submit this information to EPA through www.regulations.gov or email. Clearly mark the part or all of the information that you claim to be CBI. For CBI information in a disk or CD-ROM that you mail to EPA, mark the outside of the disk or CD-ROM as CBI and then identify electronically within the disk or CD-ROM the specific information that is claimed as CBI. In addition to one complete version of the comment that includes information claimed as CBI, a copy of the comment that does not contain the information claimed as CBI must be submitted for inclusion in the public docket. Information so marked will not be disclosed except in accordance with procedures set forth in 40 CFR part 2.

2. *Tips for preparing your comments.* When preparing and submitting your comments, see the commenting tips at <http://www.epa.gov/dockets/comments.html>.

3. *Environmental justice.* EPA seeks to achieve environmental justice, the fair treatment and meaningful involvement of any group, including minority and/or low income populations, in the development, implementation, and enforcement of environmental laws, regulations, and policies. To help address potential environmental justice issues, the Agency seeks information on any groups or segments of the population who, as a result of their location, cultural practices, or other factors, may have atypical or disproportionately high and adverse human health impacts or environmental effects from exposure to the pesticides discussed in this document, compared to the general population.

II. What Action is the Agency Taking?

Under section 18 of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) (7 U.S.C. 136p), at the discretion of the EPA Administrator, a federal or state agency may be exempted from any provision of FIFRA if the EPA Administrator determines that emergency conditions exist which require the exemption. The New Mexico Department of Agriculture has requested the EPA Administrator to issue a specific exemption for the use of sulfoxaflor to be applied to pecan orchards to control black pecan aphid. Information in accordance with 40 CFR part 166 was submitted as part of this request. The applicant's submission, which provides an explanation of the emergency situation as well as the proposed use pattern, can be found at <http://www.regulations.gov> in the following document "2016 FIFRA Section 18 Emergency Exemption for use of Closer[®] SC Insecticide on Pecans in New Mexico."

This notice does not constitute a decision by EPA on the application itself. The regulations governing FIFRA section 18 require publication of a notice of receipt of an application for a specific exemption proposing a use of a pesticide that has been subject to a judicial vacature. Further, this notice provides an opportunity for public comment on the application. The Agency, will review and consider all comments received during the comment period in determining whether to issue the specific emergency exemption requested by the New Mexico Department of Agriculture.
